

Index to Volume 25

Author Index

- Balon R:** Model Curriculum Review (book review). Summer 117-119
- Balon R, Kuhn TW:** Structure vs. Laissez-Faire: Master of Science in Psychiatry Program and Other Aspects of the Detroit Experience. Spring 61-67
- Balon R, Naseem A, Kribat RS, Moore T, Bowman P, Riba M:** Differences in Selecting U.S. and International Medical Graduates for U.S. Residency Programs (letter). Fall 184-185
- Balon R, Singh S:** Status of Research Training in Psychiatry. Spring 34-41
- Beresin E:** *See Sexson S, Parekh R, Waxmonsky J*
- Bogenschutz MP:** *See Roberts LW*
- Bogenschutz MP, Roberts LW:** Preparing the Next Generation of Psychiatric Researchers. Spring 2-3
- Borson S:** *See Halpain MC*
- Borus JF:** Model Curricula: Helpful, But Never Sufficient. Summer 112-113
- Bowman P:** *See Balon R*
- Caldito G:** *See Fitz-Gerald MJ* (spring)
- Carter OS:** *See Fitz-Gerald MJ* (spring)
- Clayton AH, Sheldon-Keller AE:** The Design and Evaluation of a Group Research Experience During Psychiatric Residency Training. Spring 68-76
- Cowdry RW:** Research: An Admirable Ally. Spring 12-14
- Cox PD:** *See Leamon MH*
- Cuffe S:** *See Sexson S*
- Daghestani A:** *See Sierles FS*
- deVito R:** *See Sierles FS*
- Doraiswamy PM:** *See Glick ID*
- Drell M:** *See Sexson S*
- Dugan T:** *See Sexson S*
- Ellison J:** *See Glick ID*
- El-Mallakh RS:** A Novel Residents' Research Seminar. Spring 57-60
- Fichtner CG:** *See Sierles FS*
- Fields L:** *See Leamon MH*
- Fitz-Gerald MJ, Kablinger A:** The Model Psychopharmacology Curriculum. Summer 114-116
- Fitz-Gerald MJ, Kablinger A, Manno B, Carter OS, Caldito G, Smith S:** Psychiatry Residents' Participation in Research: A Survey of Attitudes and Experience. Spring 42-47
- Fox G:** *See Sexson S*
- Garfield DA:** *See Sierles FS*
- Glick ID, Janowsky DS, Zisook S:** Response to Dubovsky's Book Review (letter). Summer 120-122; On Using the ASCP Model Curriculum for Psychopharmacology: Comments and an Update (letter). Winter 237-238
- Glick ID, Janowsky DS, Zisook S, Lydiard RB, Oesterheld JR, Ward NG, Ellison J, Halper J, Doraiswamy PM, Preven DW, Ross P, Klein DF:** How Should We Teach Psychopharmacology to Residents? Results of the Initial Experience With the ASCP Model Curriculum. Summer 90-97
- Goldberg DA:** Model Curricula: The Way We Teach, The Way We Learn. Summer 98-101
- Goldschmidts W:** *See Shore D*
- Halpain MC, Jeste DV, Katz IR, Reynolds CF III, Small GW, Borson S, Lebowitz BD:** Summer Research Institute: Enhancing Research Career Development in Geriatric Psychiatry. Spring 48-56
- Halper J:** *See Glick ID*
- Hyman SE:** *See Shore D*
- Janowsky D:** *See Glick ID*
- Jeste DV:** *See Halpain MC*
- Juul D:** Educational Abstracts. Summer 123-124
- Kablinger A:** *See Fitz-Gerald M* (spring, summer)
- Katz IR:** *See Halpain MC*
- Kim WJ:** *See Sexson S*
- Klein DF:** *See Glick ID*
- Kramer SI:** *See Wulsin LR*
- Kribat RS:** *See Balon R*
- Kuhn TW:** *See Balon R*
- Lane RD, Potter RL:** Functional Neuroanatomy of Psychiatric Disorders: A Didactic Course for Residents. Fall 148-155
- Leamon MH, Fields L, Cox PD, Scott C, Mirassou M:** Medical Students in Jail: The Psychiatric Clerkship in an Outpatient Correctional Setting. Fall 167-172
- Lebowitz BD:** *See Halpain MC*
- Lieberman JA:** Starting a Career in Psychiatric Research: The Lessons of Experience. Spring 28-30
- Lomax JW II:** Model Curricula in Psychiatric Residency: Evangelical Failures or Evocative Facilitators? Summer 109-111

- Lydiard RB:** *See* Glick ID
- Lyketsos CG:** Research Training During Psychiatric Residency: A Personal Reflection. Spring 31-33
- Manno B:** *See* Fitz-Gerald MJ (spring)
- Matthews K:** *See* Sexson S
- McNeilly DP, Wengel SP:** The "ER" Seminar: Teaching Psychotherapeutic Techniques to Medical Students. Winter 193-200
- Mirassou M:** *See* Leamon MH
- Mohl PC:** Editor's Comment. Spring 1; Model Curricula: An Introduction. Summer 87-89; Other Changes. Summer 86; Psychiatry and International Medical Graduates. Fall 133; With Profound Appreciation. Summer 85; A New Column. Winter 234
- Moore T:** *See* Balon R
- Mullan PB, Werner A, Seagull EA:** Medical Students Attend to Case-Based Psychosocial Information: A Prospective Study. Fall 162-166
- Naseem A:** *See* Balon R
- Norton J:** Buy American: Choosing Psychiatry Residents (letter). Fall 181-183 The Importance of the Physical Examination in a Psychiatry Residency Program (letter). Winter 236-237
- Oberstar JV:** Where Do I Put My Hands? Winter 235
- Oosterheld JR:** *See* Glick ID
- Parekh R, Beresin EV:** Looking for Love? Take a Cross-Cultural Walk Through the Personals. Winter 223-233
- Patel RM:** How the Internet Is Altering Medical Journalism and Education: A Survey and Discussion. Fall 134-142
- Pato CN:** *See* Pato MT
- Pato MT, Pato CN:** Teaching Research Basics to All Residents: Ten Years of Experience. Spring 77-81
- Pincus HA:** Preserving the Psychiatrist-Investigator. Spring 15-16
- Pope K:** *See* Sexson S
- Potter RL:** *See* Lane RD
- Preven DW:** *See* Glick ID
- Reynolds CF III:** *See* Halpain MC
- Riba M:** *See* Balon R
- Roberts LW:** *See* Bogenschutz MP
- Roberts LW, Bogenschutz MP:** Preparing the Next Generation of Psychiatric Researchers: A Story of Obstacles and Optimism. Spring 4-8
- Ross P:** *See* Glick ID
- Rubenstein DF:** *See* Whitman SM
- Ryan B:** *See* Whitman SM
- Sargent J:** *See* Sexson S
- Scheurich N:** Psychiatrists and the Literary Canon (letter). Winter 238-239; Robert Pinsky and the Poetry of Psychiatry. Fall 173-180
- Schwartz M:** Psychiatrists as Major Authors? (letter). Winter 238-
- Scott C:** *See* Leamon MH
- Seagull EA:** *See* Mullan PB
- Sexson S, Sargent J, Zima B, Beresin E, Cuffe S, Drell M, Dugan T, Fox G, Kim WJ, Matthews K, Sylvester C, Pope K:** Sample Core Competencies in Child and Adolescent Psychiatry Training: A Starting Point. Winter 201-213
- Sheldon-Keller AE:** *See* Clayton AH
- Shore D, Goldschmidts W, Wynne D, Hyman SE:** NIMH Perspective: Meeting National Needs for Psychiatrist-Researchers. Spring 9-11
- Sierles FS, Daghestani A, Weiner CL, DeVito R, Fichtner CG, Garfield DA:** Psychometric Properties of ABPN-Style Oral Examinations Administered Jointly by Two Psychiatry Residency Programs. Winter 214-222
- Silberman EK:** The Development and Use of Model Curricula. Summer 107-108
- Singh S:** *See* Balon R
- Small GW:** *See* Halpain MC
- Smith S:** *See* Fitz-Gerald MJ (spring)
- Sylvester C:** *See* Sexson S
- Tiberius R:** Educational Abstracts. Winter 240-242
- Ward NG:** *See* Glick ID
- Waxmonsky J, Beresin EV:** Taking Professional Wrestling to the Mat: A Look at the Appeal and Potential Effects of Professional Wrestling on Children. Summer 125-131
- Weiner CL:** *See* Sierles FS
- Wengel SP:** *See* McNeilly DP
- Werner A:** *See* Mullan PB
- Whitman SM, Ryan B, Rubenstein DF:** Psychotherapy Supervisor Training: Differences Between Psychiatry and Other Mental Health Disciplines. Fall 156-161
- Whitman SM:** Teaching Residents to Use Supervision Effectively. Fall 143-147
- Wulsin LR, Kramer SI:** Teaching Psychopharmacology in the 21st Century. Summer 102-106
- Wynne D:** *See* Shore D
- Yager J:** Preparing Psychiatrists to do Educational Research. Spring 17-27
- Zima B:** *See* Sexson S
- Zisook S:** *See* Glick ID

Subject Index

Admissions Criteria

Buy American: Choosing Psychiatry Residents (letter). Norton J. Fall 181-183

Differences in Selecting U.S. and International Medical Graduates for U.S. Residency Programs (letter). Balon R, Naseem A, Kribat RS, Moore T, Bowman P, Riba M. Fall 184-185

American Society of Clinical Psychopharmacology (ASCP)

How Should We Teach Psychopharmacology to Residents? Results of the Initial Experience With the ASCP Model Curriculum. Glick ID, Janowsky DS, Zisook S, Lydiard RB, Oesterheld JR, Ward NG, Ellison J, Halper J, Doraiswamy PM, Preven DW, Ross P, Klein DF. Summer 90-97

Career Development

Summer Research Institute: Enhancing Research Career Development in Geriatric Psychiatry. Halpain MC, Jeste DV, Katz IR, Reynolds CF III, Small GW, Borson S, Lebowitz BD. Spring 48-56

Case-Based Information

Medical Students Attend to Case-Based Psychosocial Information: A Prospective Study. Mullan PB, Werner A, Seagull EA. Fall 162-166

Child and Adolescent Psychiatry

Sample Core Competencies in Child and Adolescent Psychiatry Training: A Starting Point. Sexson S, Sargent J, Zima B, Beresin E, Cuffe S, Drell M, Dugan T, Fox G, Kim WJ, Matthews K, Sylvester C, Pope K. Winter 201-213

Taking Professional Wrestling to the Mat: A Look at the Appeal and Potential Effects of Professional Wrestling on Children. Waxmonsky J, Beresin EV. Summer 125-131

Clerkship Settings

Medical Students in Jail: The Psychiatric Clerkship in an Outpatient Correctional Setting. Leamon MH, Fields L, Cox PD, Scott C, Mirassou M. Fall 167-172

Competencies

Sample Core Competencies in Child and Adolescent Psychiatry Training: A Starting Point. Sexson S, Sargent J, Zima B, Beresin E, Cuffe S, Drell M, Dugan T, Fox G, Kim WJ, Matthews K, Sylvester C, Pope K. Winter 201-213

Cross-Cultural Psychology

Looking for Love? Take a Cross-Cultural Walk Through the Personals. Parekh R, Beresin EV. Winter 223-233

Educational Abstracts

Educational Abstracts. Juul D. Summer 123-124

Educational Abstracts. Tiberius R. Winter 240-242

Emergency Room

The "ER" Seminar: Teaching Psychotherapeutic Techniques to Medical Students. McNeilly DP, Wengel SP. Winter 193-200

Examinations, ABPN-Style

Psychometric Properties of ABPN-Style Oral Examinations Administered Jointly by Two Psychiatry Residency Programs. Sierles FS, Daghestani A, Weiner CL, DeVito R, Fichtner CG, Garfield DA. Winter 214-222

Functional Neuroimaging

Functional Neuroanatomy of Psychiatric Disorders: A Didactic Course for Residents. Lane RD, Potter RL. Fall 148-155

Group Research

The Design and Evaluation of a Group Research Experience During Psychiatric Residency Training. Clayton AH, Sheldon-Keller AE. Spring 68-76

International Medical School Graduates

Buy American: Choosing Psychiatry Residents (letter). Norton J. Fall 181-183

Differences in Selecting U.S. and International Medical Graduates for U.S. Residency Programs (letter). Balon R, Naseem A, Kribat RS, Moore T, Bowman P, Riba M. Fall 184-185

Psychiatry and International Medical Graduates. Mohl PC. Fall 133

Internet

How the Internet Is Altering Medical Journalism and Education: A Survey and Discussion. Patel RM. Fall 134-142

M.S. in Psychiatry Program

Structure vs. Laissez-Faire: Master of Science in Psychiatry Program and Other Aspects of the Detroit Experience. Balon R, Kuhn TW. Spring 61-67

Media

Looking for Love? Take a Cross-Cultural Walk Through the Personals. Parekh R, Beresin EV. Winter 223-233

Taking Professional Wrestling to the Mat: A Look at the Appeal and Potential Effects of Professional

- Wrestling on Children. Waxmonsky J, Beresin EV. Summer 125-131
- The "ER" Seminar: Teaching Psychotherapeutic Techniques to Medical Students. McNeilly DP, Wengel SP. Winter 193-200
- Medical Journalism**
- How the Internet Is Altering Medical Journalism and Education: A Survey and Discussion. Patel RM. Fall 134-142
- Medical Students**
- The "ER" Seminar: Teaching Psychotherapeutic Techniques to Medical Students. McNeilly DP, Wengel SP. Winter 193-200
- Model Curricula**
- The Development and Use of Model Curricula. Silberman EK. Summer 107-108
- How Should We Teach Psychopharmacology to Residents? Results of the Initial Experience With the ASCP Model Curriculum. Glick ID, Janowsky DS, Zisook S, Lydiard RB, Oesterheld JR, Ward NG, Ellison J, Halper J, Doraiswamy PM, Preven DW, Ross P, Klein DF. Summer 90-97
- Model Curricula: An Introduction. Mohl PC. Summer 87-89
- Model Curricula: Helpful, But Never Sufficient. Borus JF. Summer 112-113
- Model Curricula: The Way We Teach, The Way We Learn. Goldberg DA. Summer 98-101
- Model Curricula in Psychiatric Residency: Evangelical Failures or Evocative Facilitators? Lomax JW II. Summer 109-111
- Model Curriculum Review. Balon R. Summer 117-119
- Model Curriculum Review (book review). Balon R. Summer 117-119
- The Model Psychopharmacology Curriculum. Fitzgerald M, Kablinger A. Summer 114-116
- Response to Dubovsky's Book Review (letter). Glick ID, Janowsky DS, Zisook S. Summer 120-122
- On Using the ASCP Model Curriculum for Psychopharmacology: Comments and an Update (letter). Glick ID, Janowsky D, Zisook S. Winter 237
- Teaching Psychopharmacology in the 21st Century. Wulsin LR, Kramer SI. Summer 102-106
- Neuroanatomy**
- Functional Neuroanatomy of Psychiatric Disorders: A Didactic Course for Residents. Lane RD, Potter RL. Fall 148-155
- Oral Examinations**
- Psychometric Properties of ABPN-Style Oral Examinations Administered Jointly by Two Psychiatry Residency Programs. Sierles FS, Daghestani A, Weiner CL, deVito R, Fichtner CG, Garfield DA. Winter 214-222
- Outpatients**
- Medical Students in Jail: The Psychiatric Clerkship in an Outpatient Correctional Setting. Leamon MH, Fields L, Cox PD, Scott C, Mirassou M. Fall 167-172
- Physical Examination**
- The Importance of the Physical Examination in a Psychiatry Residency Program. Norton J. Winter 236-237
- Problem-Based Learning**
- Medical Students Attend to Case-Based Psychosocial Information: A Prospective Study. Mullan PB, Werner A, Seagull EA. Fall 162-166
- Psychiatry vs. Psychology**
- Psychotherapy Supervisor Training: Differences Between Psychiatry and Other Mental Health Disciplines. Whitman SM, Ryan B, Rubenstein DF. Fall 156-161
- Psychiatry: Humanities, Arts, History**
- Psychiatrists and the Literary Canon (letter). Scheurich N. Winter 238-239
- Psychiatrists as Major Authors? (letter). Schwartz M. Winter 238
- Robert Pinsky and the Poetry of Psychiatry. Scheurich N. Fall 173-180
- Psychopharmacology**
- How Should We Teach Psychopharmacology to Residents? Results of the Initial Experience With the ASCP Model Curriculum. Glick ID, Janowsky DS, Zisook S, Lydiard RB, Oesterheld JR, Ward NG, Ellison J, Halper J, Doraiswamy PM, Preven DW, Ross P, Klein DF. Summer 90-97
- Model Curriculum Review. Balon R. Summer 117-119
- Model Curriculum Review (book review). Balon R. Summer 117-119
- The Model Psychopharmacology Curriculum. Fitzgerald M, Kablinger A. Summer 114-116
- On Using the ASCP Model Curriculum for Psychopharmacology: Comments and an Update (letter). Glick ID, Janowsky D, Zisook S. Winter 237-238
- Response to Dubovsky's Book Review (letter). Glick ID, Janowsky DS, Zisook S. Summer 120-122
- Teaching Psychopharmacology in the 21st Century. Wulsin LR, Kramer SI. Summer 102-106
- Research**
- The Design and Evaluation of a Group Research Experience During Psychiatric Residency Training. Clayton AH, Sheldon-Keller AE. Spring

- 68-76
- NIMH Perspective: Meeting National Needs for Psychiatrist-Researchers. Shore D, Goldschmidt W, Wynne D, Hyman SE. Spring 9-11
- A Novel Residents' Research Seminar. El-Mallakh RS. Spring 57-60
- Preparing Psychiatrists to do Educational Research. Yager J. Spring 17-27
- Preparing the Next Generation of Psychiatric Researchers. Bogenschutz MP, Roberts LW. Spring 2-3
- Preparing the Next Generation of Psychiatric Researchers: A Story of Obstacles and Optimism. Roberts LW, Bogenschutz MP. Spring 4-8
- Preserving the Psychiatrist-Investigator. Pincus HA. Spring 15-16
- Psychiatry Residents' Participation in Research: A Survey of Attitudes and Experience. Fitz-Gerald MJ, Kablinger A, Manno B, Carter OS, Caldito G, Smith S. Spring 42-47
- Research: An Admirable Ally. Cowdry RW. Spring 12-14
- Research Training During Psychiatric Residency: A Personal Reflection. Lyketsos CG. Spring 31-33
- Starting a Career in Psychiatric Research: The Lessons of Experience. Lieberman JA. Spring 28-30
- Status of Research Training in Psychiatry. Balon R, Singh S. Spring 34-41
- Structure vs. Laissez-Faire: Master of Science in Psychiatry Program and Other Aspects of the Detroit Experience. Balon R, Kuhn TW. Spring 61-67
- Summer Research Institute: Enhancing Research Career Development in Geriatric Psychiatry. Halpain MC, Jeste DV, Katz IR, Reynolds CF III, Small GW, Borson S, Lebowitz BD. Spring 48-56
- Resident's Perspective**
- A New Column. Mohl PC. Winter 234
- Where Do I Put My Hands? Oberstar JV. Winter 235
- Structured Approach**
- Structure vs. Laissez-Faire: Master of Science in Psychiatry Program and Other Aspects of the Detroit Experience. Balon R, Kuhn TW. Spring 61-67
- Supervision**
- Psychotherapy Supervisor Training: Differences Between Psychiatry and Other Mental Health Disciplines. Whitman SM, Ryan B, Rubenstein DF. Fall 156-161
- Teaching Residents to Use Supervision Effectively. Whitman SM. Fall 143-147
- Validity**
- Psychometric Properties of ABPN-Style Oral Examinations Administered Jointly by Two Psychiatry Residency Programs. Sierles FS, Daghestani A, Weiner CL, deVito R, Fichtner CG, Garfield DA. Winter 214-222
